### Tips for protecting your card and your personal information

Beware of scams - Never give out any account numbers, card numbers or Social Security Numbers unless you have initiated the transaction or phone call. Your Credit Union will never ask for this information via phone, email or text message.

Do not write your PIN on your card and never share your PIN with anyone.

To ensure the magnetic strip on your card does not become unreadable, avoid contact with magnets, magnetic clasps and the magnetic strips of other cards.
